

ALL PUBLIC LIGHTS
REPLACED AND REPAIRED
AT THE SPIRES AND
ROCKABILL COVE

Having campaigned for years, as your Local Councillor, Louth County Council have finally funded the repair and replacement of all the Public Lights at The Spires Termonfeckin. The County Council have finally taken the estate in charge and are now responsible for the maintenance of the public lights. sewerage ,water, roads etc

Rockabill Cove have had all of their public lights repaired and this estate has also been taken in charge by the County Council.

Congratulations to everybody on Termonfeckin, Baltray, Clogherhead Tullyallen, Monasterboice and Drogheda doing so well in the recent Tidy Towns awards

MAJOR ROAD REPAIRS FOR CLOGHER ROAD

Verges of the Clogherhead Road to be upgraded similar to the Sheetland Road

The Coast Road from Clogherhead to Termonfeckin has received funding to repair the verges. Over the past couple of years I have requested that the potholes along the verges and surface be repaired but the nature of the

problem was so extensive that funding had to be applied for from the Department of the Environment. A special grant of over 80k euro has been allocated this year. The work is now complete.

Other extensive road resurfacing and repairs were also carried out on in the area. These works include the road from Blackhall Cross northwards to Murrays Cross, almost 100k euro and from Grangebellew to Gallstown Road junction, over 30k euro. Drogheda Road Tenure 49k euro and Begrath to Mellifont 113k euro

Road works, costing nearly 190k euro, are due to be carried out locally under the new Community Involvement Scheme (CIS) at Beltichburne, Carstown, Carntown, Killartery, Nunneryland, Galroostown and Cartanstown.

The main roads that will be salted this Winter include M1, R132, R166, R170, N51, R168.

THE LOUTH COUNTY COUNCIL AND AN GARDA SIOCHANA SUPPORTING LOCAL COMMUNITY TEXT ALERT COMMITTEE

The (Baltray Sandpit Termonfeckin) Balsanter Community Text Alert is a new community based organization. It is a crime prevention and community safety programme using mobile phone text alerts to ensure the safety of Baltray, Sandpit and Termonfeckin communities. It operates as a partnership between An Garda Siochana and residents. The scheme is run on a voluntary basis through a nominated committee of local residents and a representative of An Garda Siochana.

To continue the work to date and due to increase public awareness of the service the group intend to erect signs, similar to above, on the public roads advising of the community alert system. The success of this system is based on the support of the community as a whole and we need your support. Why not join today??? Application forms are available in the local shops, Churches and Credit Union.

I will be holding advice centers / clinics at the following dates and times.

Last Thursday of each month

31st October and 28th November 2013

Waterside Termonfeckin 6.00pm

Monasterboice Inn 7.00pm

Saturday - 30th November 2013

Sharkey's Lounge Clogherhead 3.00pm

Fas Office Togher 4.00pm

Feel free to come along and receive advice on housing, social welfare, roads, planning, medical requirements, grants, education, water, sewerage etc..
